“If a child can't learn the way we teach, maybe we should teach the way they learn.”

Ignacio Estrada

Course Description

In this course, students will receive support in their content area classes, including group and one on one assistance. They will be taught study and organizational skills and learning strategies to support academic success. This is not a “study hall”, but a class intended to teach necessary academic and study skills to succeed in high school and beyond.

Class Objectives

1. To identify students’ learning styles, strengths, and needs
2. To develop students’ study and organizational skills and learning strategies in order to succeed at Berean and in life after Berean
3. To help students learn self-advocacy skills
4. To maintain communication with students’ parents, teachers, academic deans and other staff involved with their education

Class Rules

1. Come to class on time and prepared to learn. (Bring work from content area classes, charged iPad, sharpened pencils, pen, paper, and notebooks.)
2. Enter quietly and begin working on your assignments.
3. Ask for help when needed. (This is encouraged!)
4. Show kindness and respect to all teachers and students.
5. Respect all school, personal, and other’s property.
6. Listen and follow directions. Abide by school rules.
7. Cell phones are placed in phone caddy from bell to bell.
8. Do your very best!

Class Incentives

This is a non-graded class. However, students will receive incentives and rewards for positive attitude and effort, for completing study skills assignments, and for completing content area assignments.

I am looking forward to a fantastic year of academic, social, and spiritual growth! Please let me know if you have any questions or concerns.
