Cancellation Refund/Policy:

We are delighted you are considering Berean Christian Sports Summer Camps for your child. Because Berean Christian enters into coach hiring contracts, makes purchasing commitments, and incurs fees for processing your online payment, in the event of your cancellation of your child's camp enrollment for any reason, the camp fee paid is only partially refundable. Therefore, please carefully check that you do not have a scheduling conflict before enrolling your child, and also make sure you only select camps for which your child is eligible based on his/her grade and gender. Cancellation requests must be made via email to **bereansummercamps@gmail.com** and will be processed according to the date/timestamp of the cancellation request email. If Berean Christian declines child's enrollment due to child's ineligibility for a camp (wrong grade and/or wrong gender for the camp selected) you will be issued a refund of 90% of camp fees paid. If you initiate cancellation, the pro-rated refund amount issued, if any, will depend upon cancellation notification date as follows:

<i>If your cancellation email is sent</i>	<i>Your refund % will be</i>
21 or more days prior to first day of camp	90% refund of camp fees paid
14 - 20 days prior to first day of camp	75% refund of camp fees paid
7-13 days prior to first day of camp	50% refund of camp fees paid
< 7 days prior to first day of camp	No refund

We regret we will be unable to issue refunds for camp days that an enrolled child misses due to illness or other reasons.

In the event that Berean Christian initiates cancellation of a camp altogether, you will be due a 100% refund of camp fees paid if the whole camp is cancelled, and a pro-rated refund if camp is partially cancelled by Berean Christian. For example, if one day of a 4-day camp is cancelled, you will receive a 1/4 or 25% refund.

Any refunds will be issued by check from Berean Christian payable to original payer, mailed to address used for original payment.
